Bathymetry and Fish Community Assessment on 6 Lakes

Location: Whitefish River First Nation

The Anishinabek/Ontario Fisheries Resource Centre (A/OFRC), in partnership with Whitefish River First Nation will be conducting Bathymetry mapping and Fish Community Assessments on 6 lakes with no data previously collected. The target of the assessment is to fill in a data gap on these lakes which have no official data collection history.

Who is the A/OFRC?

The A/OFRC is a not-for-profit organization that serves as an independent source of information for communities within the Anishinabek Nation. The Centre provides information and recommendations for sustainable fisheries management, reports of stock status, evaluates stresses on fish populations and habitats, and offers technical support.
